FOR IMMEDIATE RELEASE- Erie Aviation receives 30 Year Membership Award

Erie, PA., Sept 11, 2019 - Today Erie Aviation Inc. Received its 30 year membership award with the Local Manufacturing and Business Association. EAI President / CEO, Tad Jakes along with Executive Vice President, Tammi Golen received the award from Patty Welther, Manufacturer & Business Association Manager of Member Engagement. "We are proud and honored to be part of the Association for the past 30 years. With our current projected growth and facility expansion, Erie Aviation will continue supporting the community with jobs and local business opportunities for another 30 years and more" stated Jakes.

Erie Aviation has received long term contracts with multiple airline carriers to include American Airlines, Spirit Airlines, SkyWest Airlines (Nation's largest Regional air carrier) for Florescent to LED main cabin lighting conversions, lavatory Faucet conversions as well as other Aircraft Interior products to be released beginning early 2020. All products are manufactured in Erie Pa., utilizing multiple Erie businesses.
