FOR IMMEDIATE RELEASE

Tammi Golen appointed Executive Vice President of Erie Aviation

Erie, PA., January 7, 2015 - Today Erie Aviation announced that Ms. Tammi Golen has been appointed Executive Vice President.

Prior to this appointment, Ms. Golen held the Director of Customer Support position for the company. She has been with EAI from its beginning and instrumental to its growth and success.

“I cannot think of anyone more deserving or qualified to this position; Tammi has the experience, knowhow, and respect of the EAI team to lead in the expansion and direction the company is pursuing,” said Tad Jakes, Erie Aviation CEO, and President.

About Erie Aviation

Erie Aviation is FAA Certified component distribution, and repair station for cabin equipment on commercial airlines, including but not limited to aircraft lighting, electronics, and textiles. For additional information, please visit www.erieaviation.com
