

## Erie Aviation sets up Rotorcraft Division

Products for helicopters have become increasingly important to Erie Aviation, so to ensure that we give them the focus they and the helicopter markets deserve we have established a Rotorcraft Division with **Harry Staszewski as President**. Supporting Harry is the Erie Aviation staff we hope you already know – technicians, inside sales, repair administration, shipping & receiving, QA, etc.

### Harry's key products are:

DVCS6000 digital communication boxes from Becker Avionics

Cargo hooks from Indraéro Siren, including overhauls

Lighted chart holders from Madelec Aero

Sliding windows for Eurocopter from Vision Systems Aeronautics

Light weight carpets from Green Sky Textiles

Pumps and valves for new projects from ASG

Handsets for VIP aircraft from Holmberg
