

## **SkyWest Selects Erie Aviation Reading Lights**

May 7, 2017

SkyWest Airlines has selected Erie Aviation Inc., LED reading light bulbs for the CRJ-200 Fleet. The Led bulbs are a direct replacement for existing Halogen bulbs, operate at a lower temp and carry an average life of 40,000 hrs. SkyWest operates approximately 200 CRJ-200 aircraft throughout the U.S.
