WARRANTY

Erie Aviation, Inc. warrants that all Services shall be performed in a workmanlike manner and that all Components serviced shall be free from defects in materials and workmanship for the applicable warranty period. Vendor's warranty as set forth herein does not apply to any accessories, equipment, parts or materials furnished by the Customer.

The warranty period for all new EAI purchased products is one (1) year from purchase date.

The warranty period for non-warranty repairs is a period of 12 months for labor and 30 days for parts.

Warranty excludes any noticeable damage caused by customer and or shipping.
